**Welcome**

Welcome to the new look JPConnect, the password protected environment connecting John Paul College parents, teachers and students.

Once logged in, parents, students and staff can access personally customised areas containing information and activities relating to the College and individual students, including personalised news, messages and alerts, contacts, online reports, calendar, timetables and co-curricular activities.

John Paul College is one of the first schools to offer its community members an all-encompassing, convenient and instant way to be informed and stay connected.

Please note, JPConnect is a password protected environment however you are able to see how this new version works, by taking a tour. Click on the link below to view a JPConnect demonstration.

Welcome,

This provides you with easy access to your child's past academic reports.

- If you have more than one child at the College you will be able to view their Archived Reports by clicking on their names to the right of screen.
- These reports will not be available to you once your child leaves the College. To keep permanent copies of these reports you should either save them to your computer or print paper copies.

This site uses Adobe Acrobat. To Download click on the logo or [detect](#).
