

STUDY ABROAD OPPORTUNITIES

Queensland, Australia.

John Paul International College offers students of both English and Non English speaking backgrounds , aged from 9 to 18 years, the opportunity to study at our Daisy Hill campus in Queensland.

Our 40 hectare campus features excellent facilities including a state-of-the-art aquatic centre with heated ten lane swimming pool, an indoor sporting complex, modern air-conditioned classrooms, world class sporting ovals and well maintained playgrounds.

These programs will help students improve their language and study skills. Confidence will grow as students are successful in developing skills that will prepare them for independent participation in future international education and a career in the global community.

Orientation to the local community and to life in Australia will be an integral part of this holistic educational environment. Safety is our prime consideration, so students live with carefully selected and approved Australian Homestay families.
